

Wycombe Radio Car Club

Commercial Court, Leigh Street, High Wycombe, Bucks, HP11 2RH
www.wycomberacing.co.uk

At WRCC we race 1/10th, 1/12th and 1/18th scale electric radio controlled cars in one of only two permanent indoor circuit and oval tracks in the UK.

- We race hot-rods, bangers, touring cars and historic stockcars
- Come along to one of our weekly race meetings to see what goes on and talk to our friendly members.
- We welcome members of all ages.
- We meet on Mondays, Tuesdays, Thursdays and Saturdays from 7pm all year round.
- Experience is not necessary; there are experienced and friendly people on hand to offer advice and help get you started. If you can hold a radio transmitter then you can race!
- Visit our website, email or call Jim on the number below (preferably evenings) for more information
- You could be racing competitively for as little as £10 a week! It's great fun at pocket money prices!
- We hold regular national and open championship meetings, and the club has several national and regional champions to its credit.
